## LANGUAGES

English  
Afrikaans

## PERSONAL DETAILS

**Date of birth:** 12 Dec  
2002

**Nationality:** South-  
African

**ID:** 0212125210089

As a motivated 21-year-old, I am eager to embark on my professional journey. My university experience has equipped me with essential skills, particularly through my involvement in the esteemed Laureus men's residence. In my second year, I was elected to the house committee, where I honed my expertise in Media & Communication, Recruitment, and Archives. This experience underscores my unwavering dedication to personal and community development, showcasing my proactive approach and leadership capabilities.
